

15 February 2019

To: All AgriSETA Stakeholders

Dear stakeholders

In preparation for the year ending on **31 March 2019**, AgriSETA would like to put following measures in place in order to comply with various SETA requirements.

1. All invoices you would like to issue for the February 2019 and March 2019 should be with AgriSETA latest, **15 March 2019**.
2. **Any invoice that you would like to issue on the latter part of March 2019, i.e. from 15 March 2019 should only be issued and dated from the 31st May 2019.**

I hope you find the above in order.

Kind Regards

.....
